ASSA ABLOY
Entrance Systems

Experience a safer
and more open world

Open your doors to a constant
flow of business

Doors that help your store run efficiently.

Better for your customers, better for your business. Whatever type of business you run, we have a door to fit your needs.

Ensuring smooth transitions between the stock room and the shop floor requires resilient doors that can work fast under pressure. ASSA ABLOY doors do just that - marrying performance with aesthetics.

Supermarkets

Shopping Malls

Convenience Stores

Pharmacies

One partner for all your entrance needs

Architects & specifications services

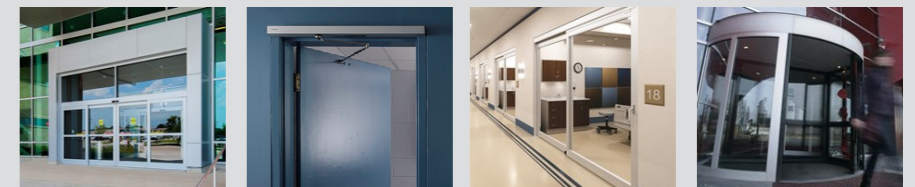

From planning and design to construction and delivery, ASSA ABLOY Entrance Systems supports you in meeting the requirements of your project

Local Service

Our fast and convenient service is supported by highly trained professional technicians who offer extensive knowledge and expertise.

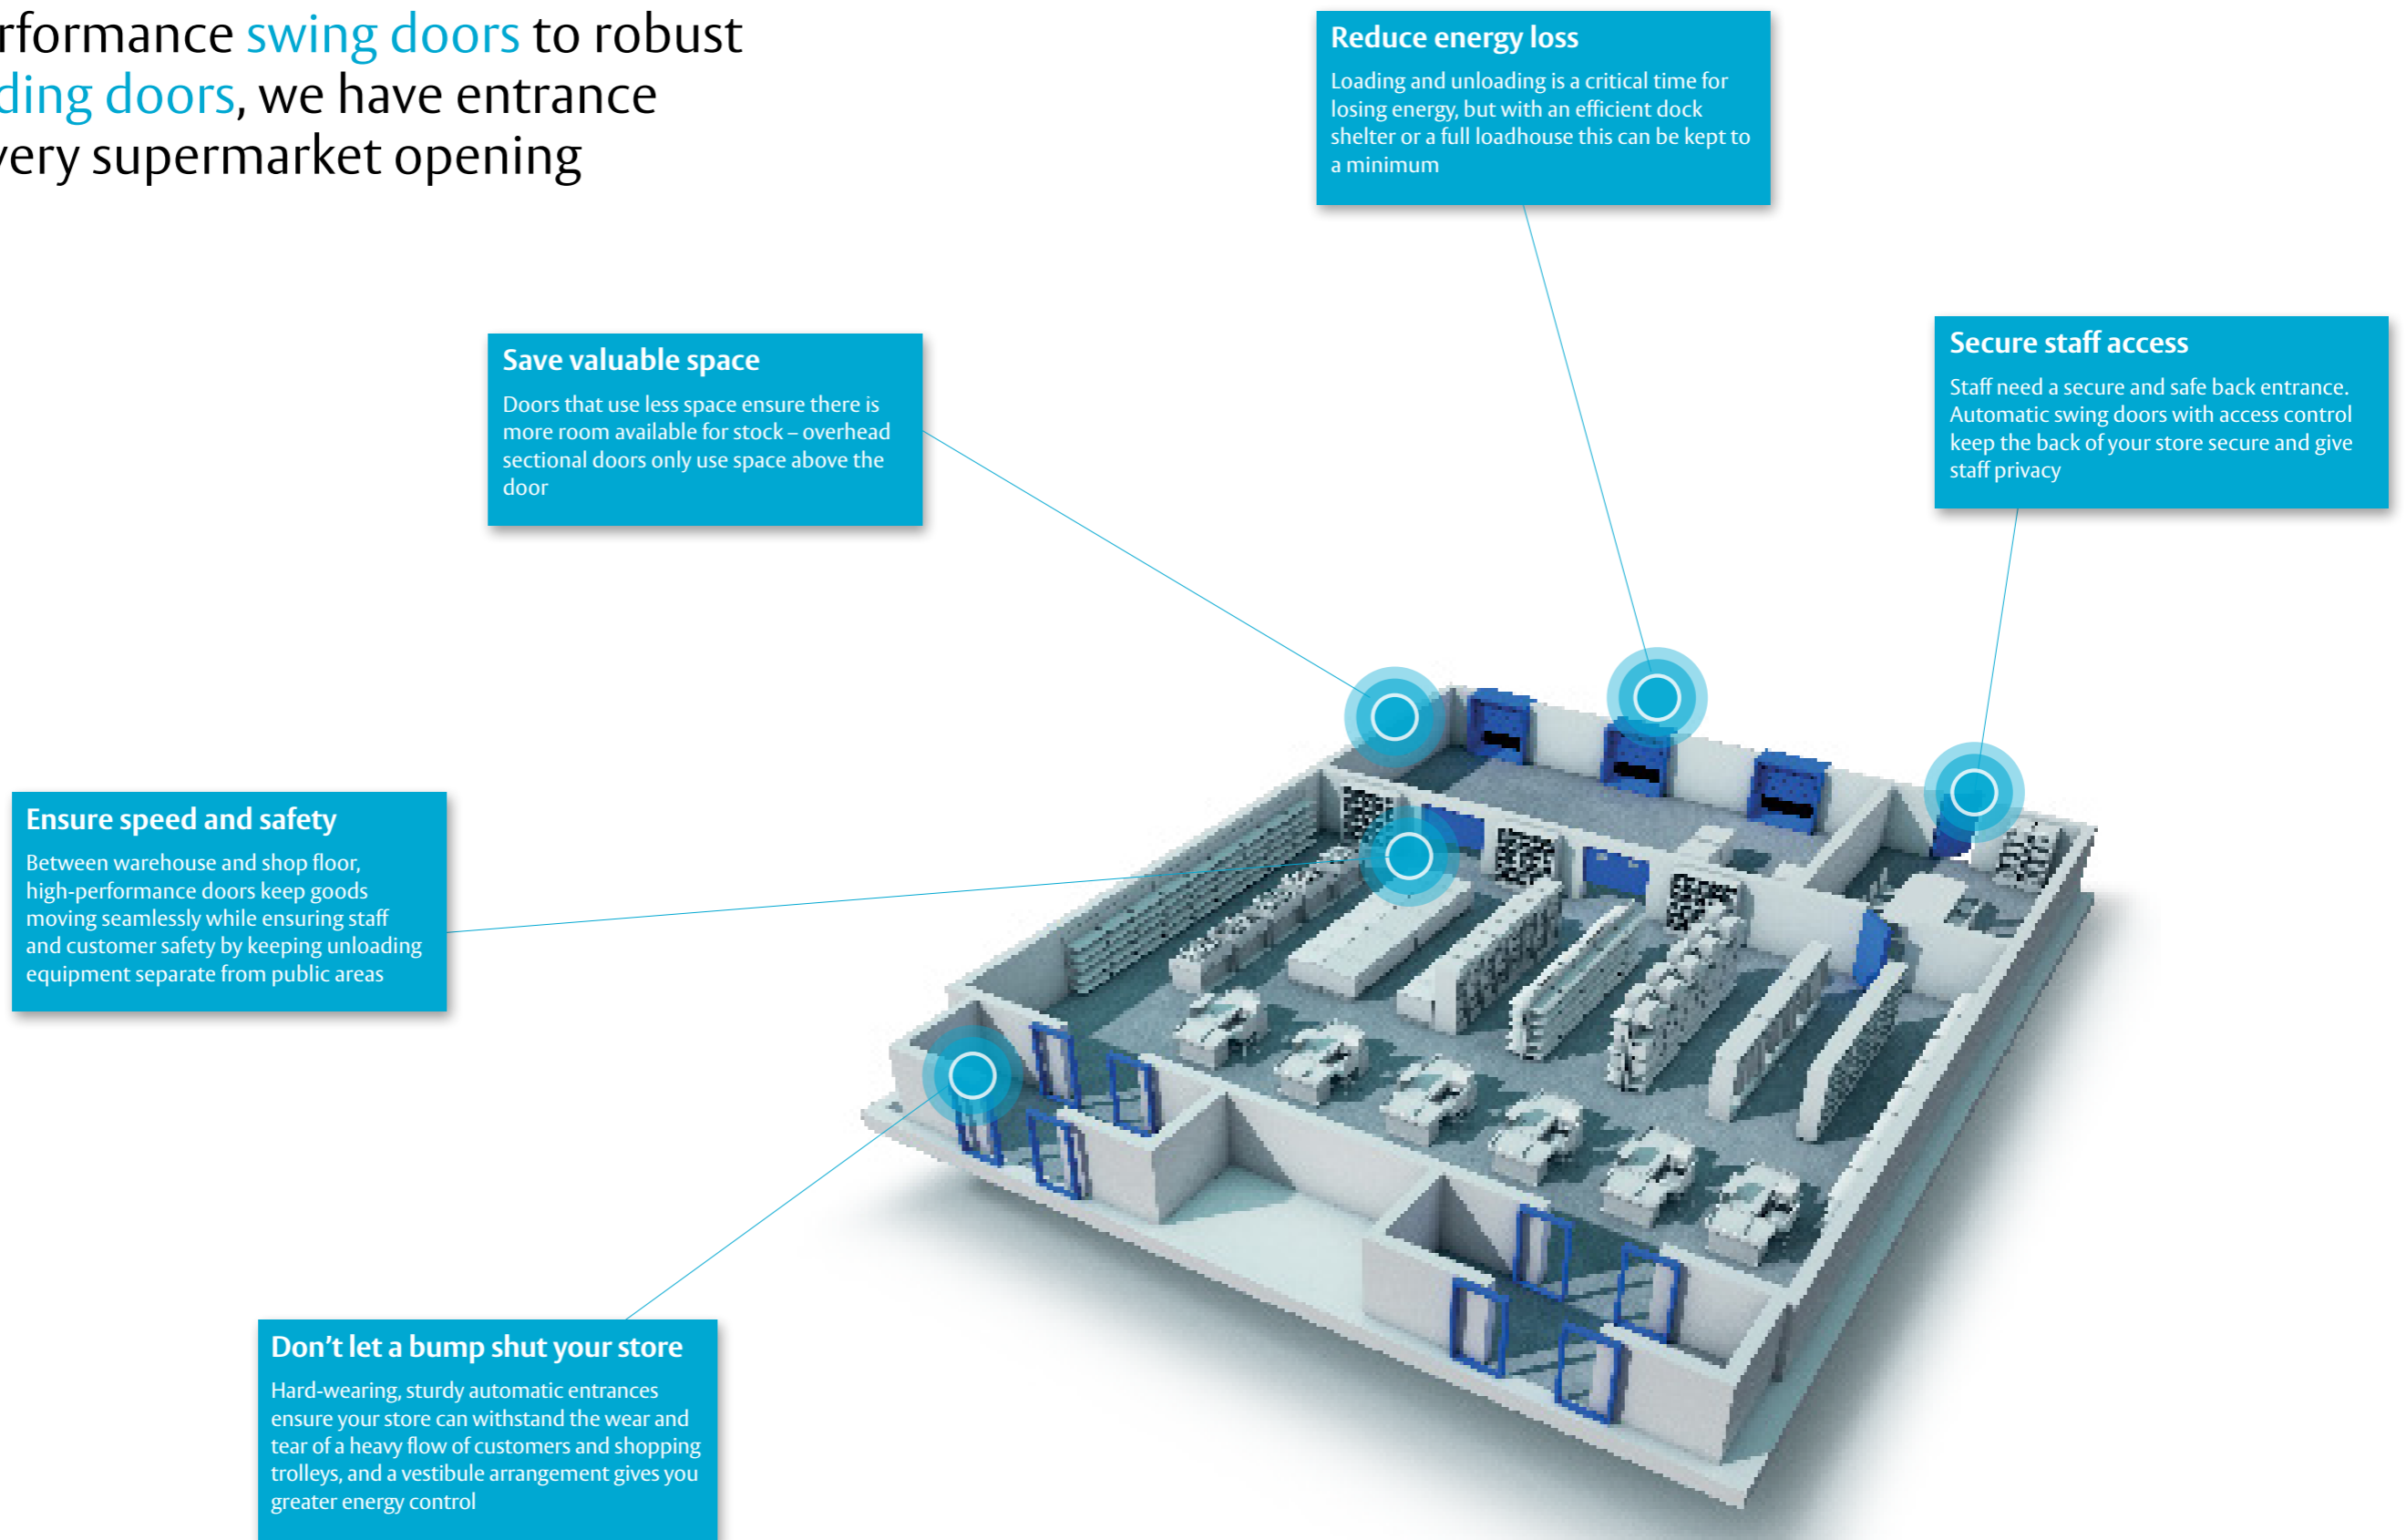

Products for today and the future

Automatic doors welcome visitors, guide traffic, and provide touchless access. With our range of sliding, swing, ICU and revolving doors, we offer you and your customers convenience, secure entrances and accessibility.

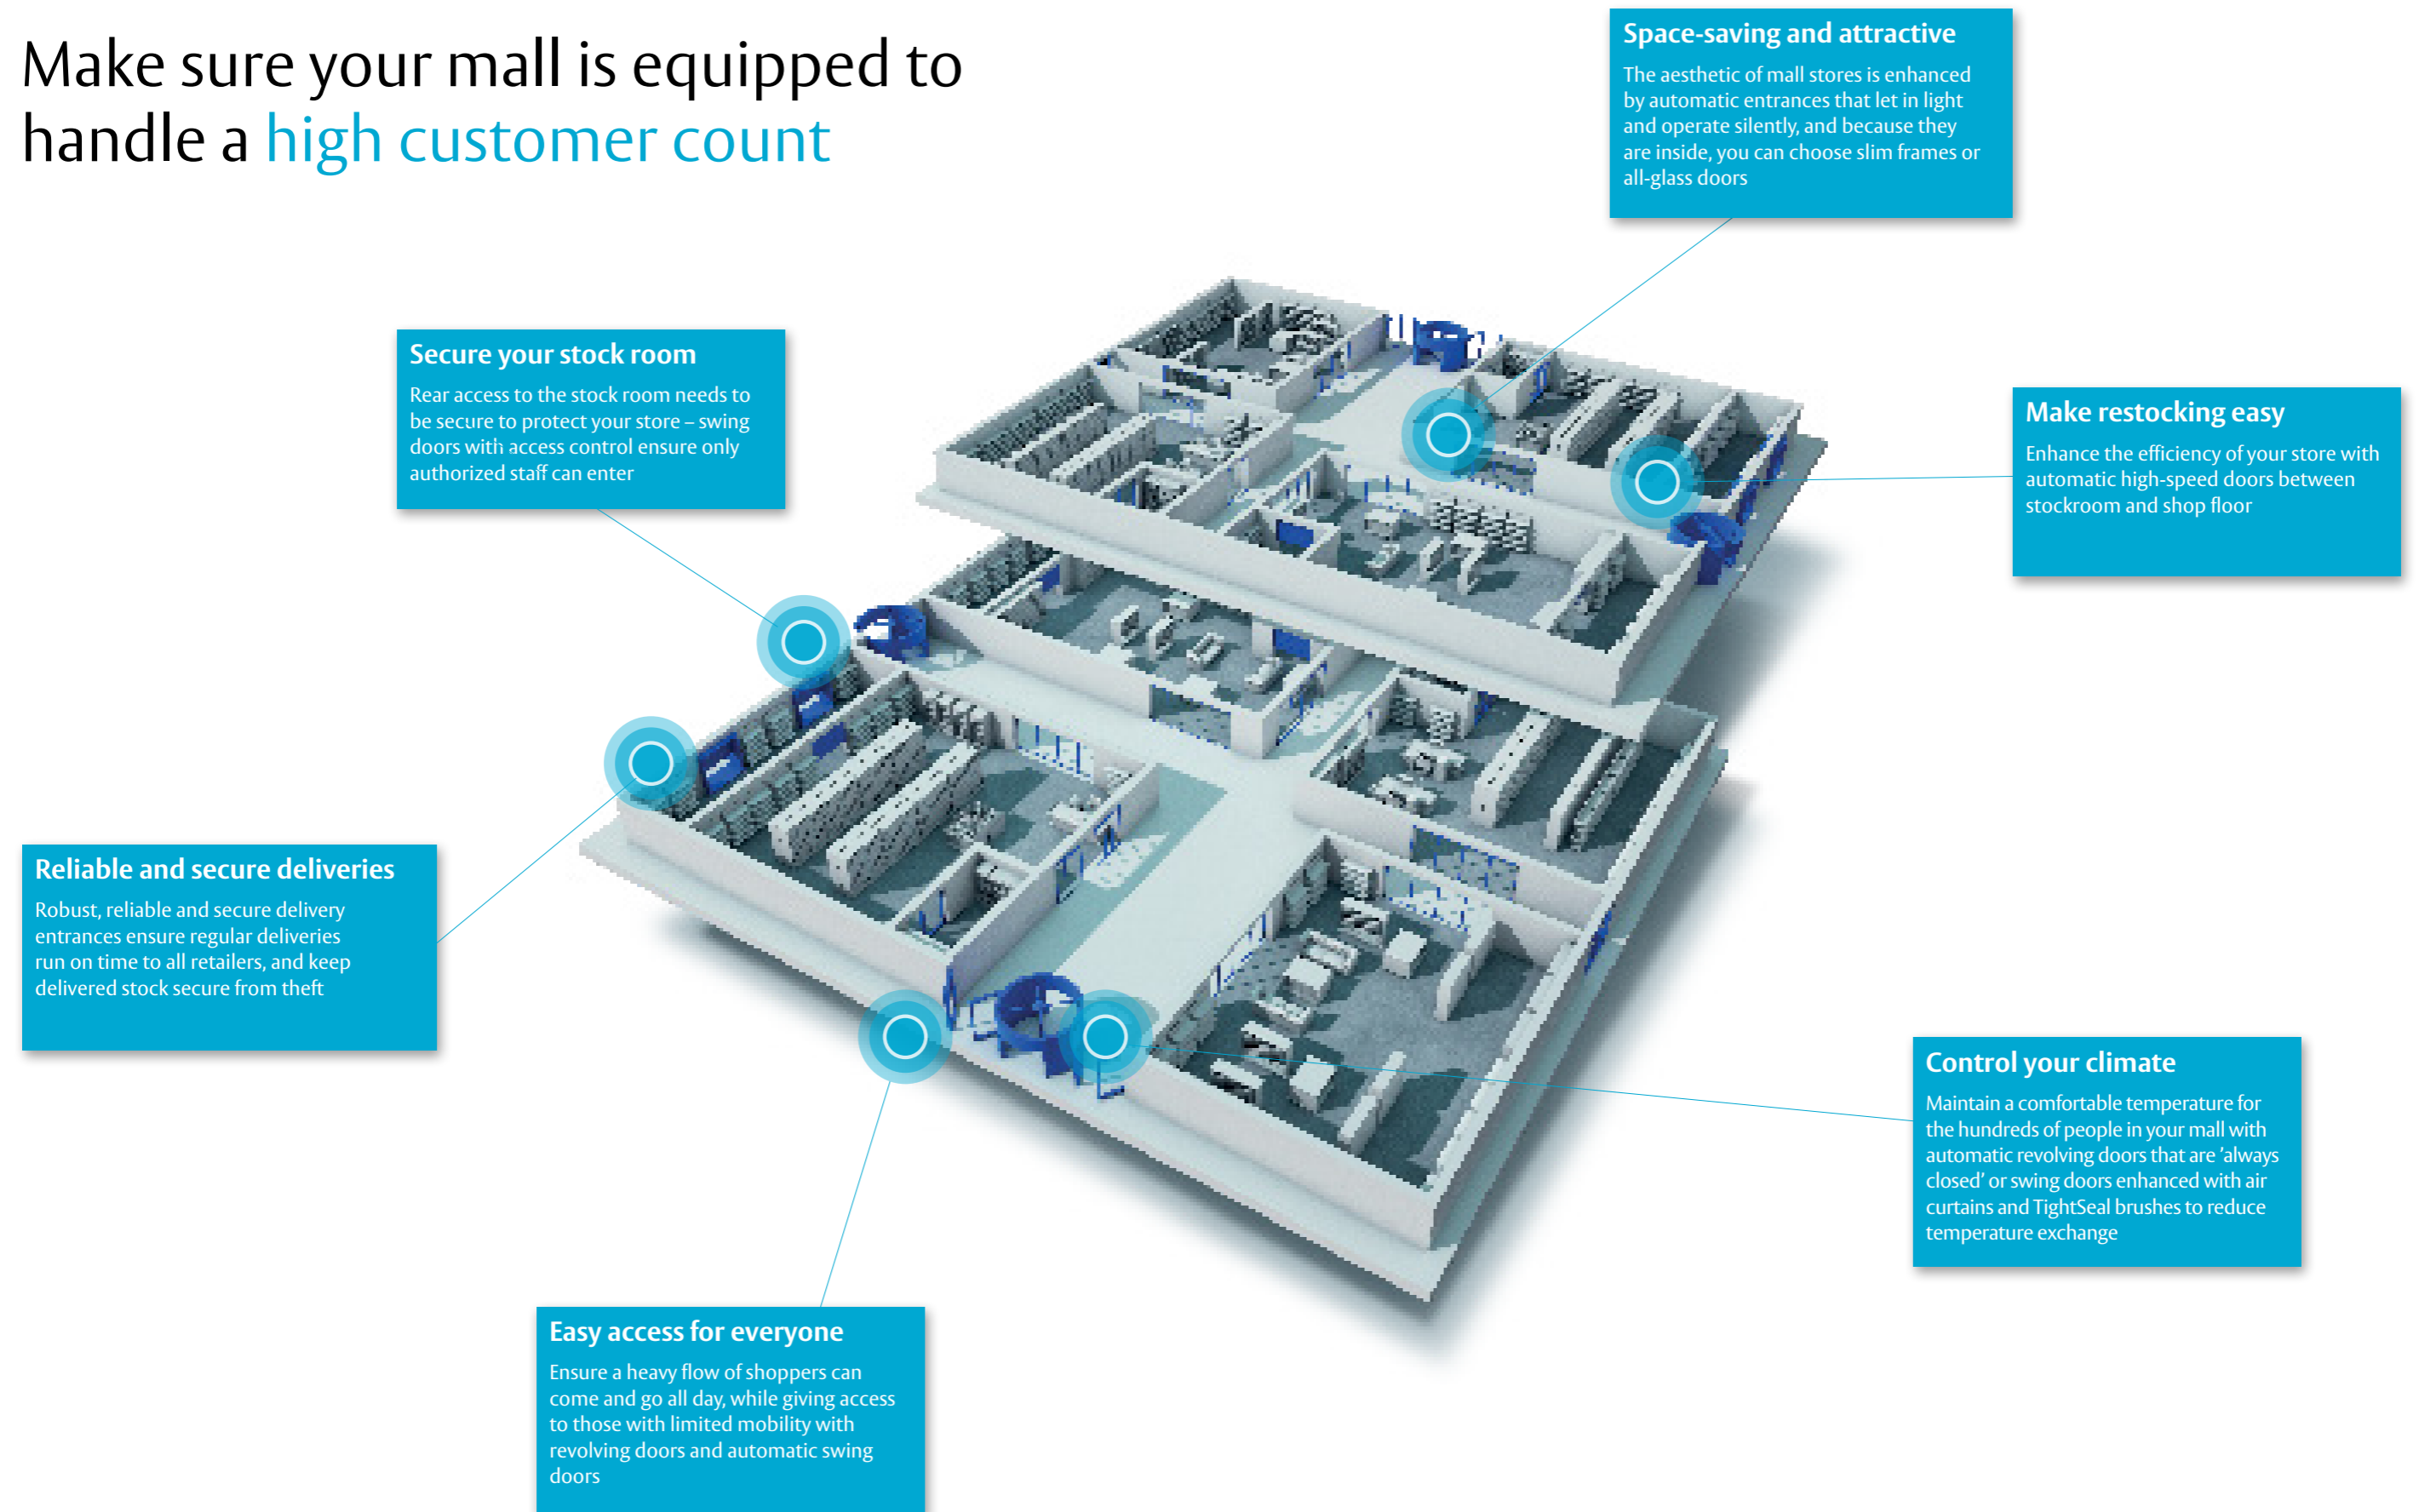

Supermarkets

From high-performance **swing doors** to robust **pedestrian sliding doors**, we have entrance systems for every supermarket opening

Shopping Malls

Make sure your mall is equipped to handle a **high customer count**

Pharmacies

Make sure your goods and customers have **uninterrupted access**

Keep stock chilled

Insulated sliding doors with EcoDoor seals keep cool areas separate, ensure energy efficiency in your building and improve staff and customer comfort

Ensure smooth delivery

Every delivery is free of holdups with automated docking solutions. And you can reduce energy loss with insulated dock levelers and shelters

Secure your stock room

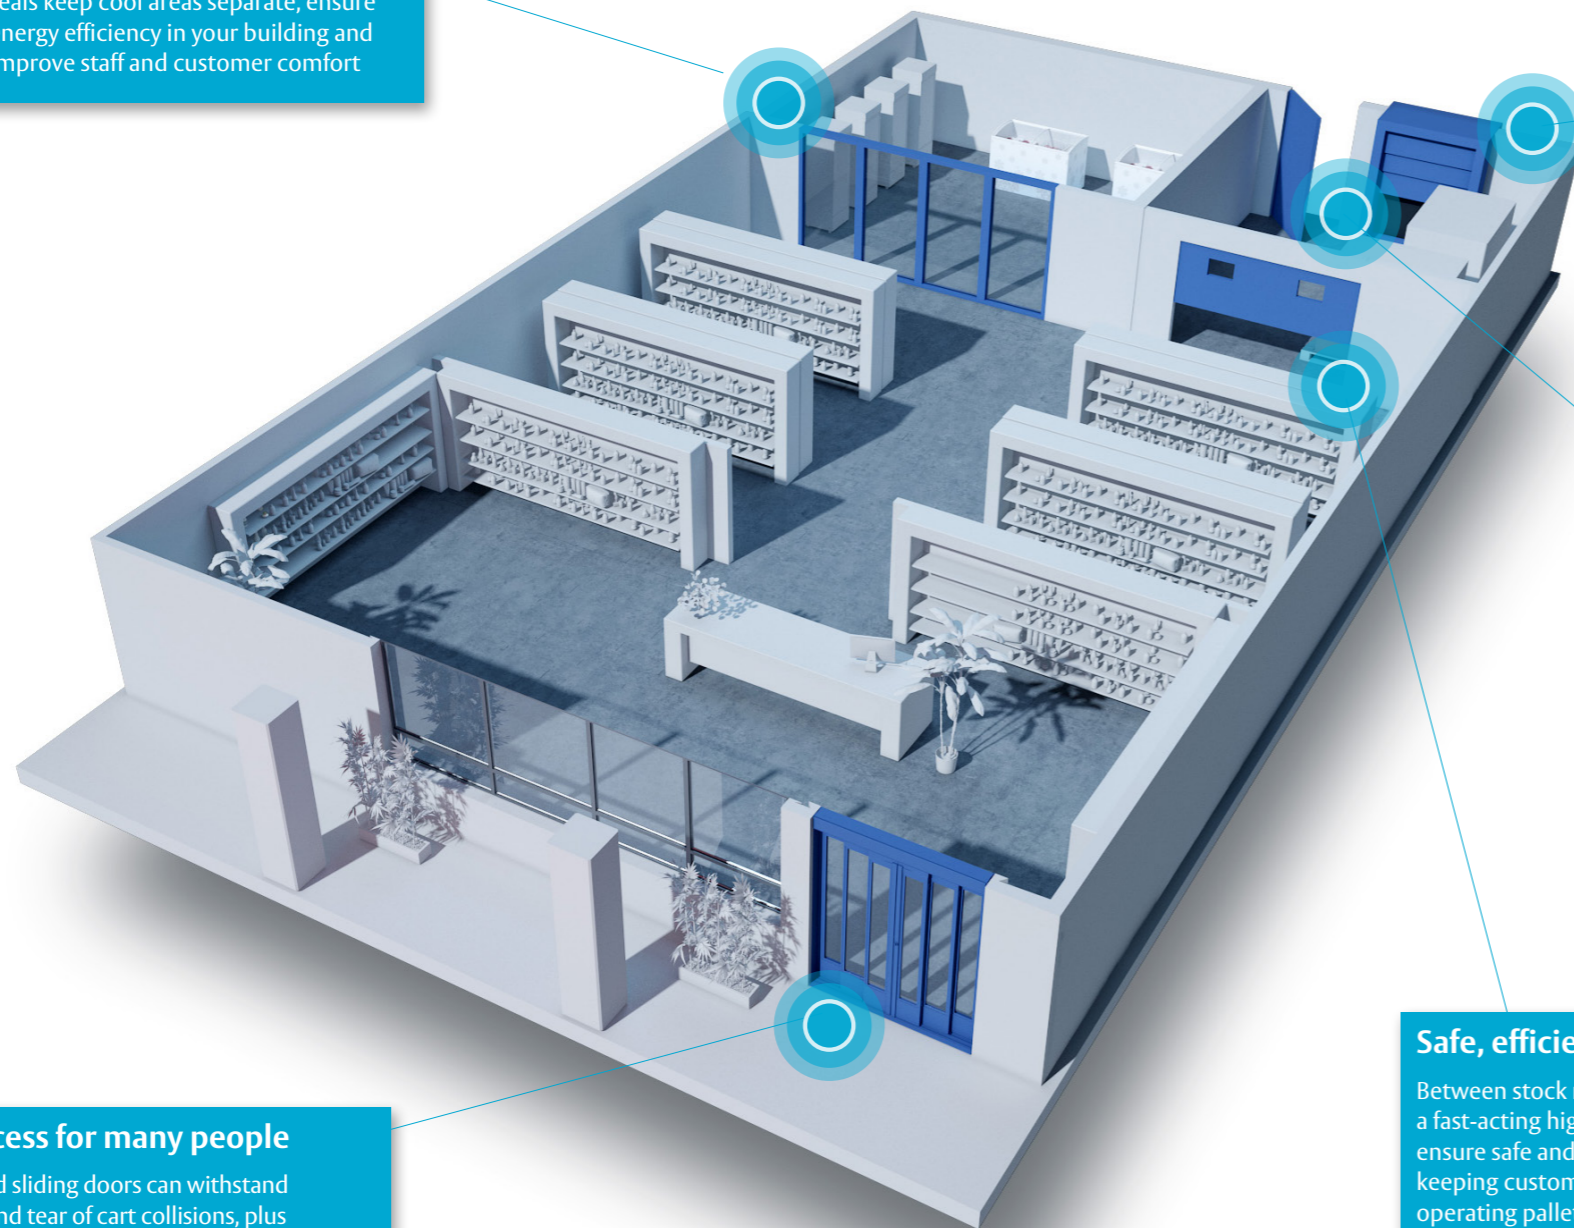

Automatic swing door systems with access control ensure only authorized staff can enter and that the door closes securely behind them

Safe, efficient access

Between stock room and the shop floor, a fast-acting high-performance door will ensure safe and efficient operations by keeping customers separate from staff operating pallet machines

Easy access for many people

Our framed sliding doors can withstand the wear and tear of cart collisions, plus our intelligent directional sensors ensure automatic doors only open when they need to. This means customers are welcomed and your indoor temperature is regulated

Convenience Stores

Ensuring round-the-clock security and comfort for your convenience store

Built to last

Ensure your carwash doors will withstand the corrosion of regular contact with water and chemicals with folding doors built from corrosion resistant materials

Keep your store secure

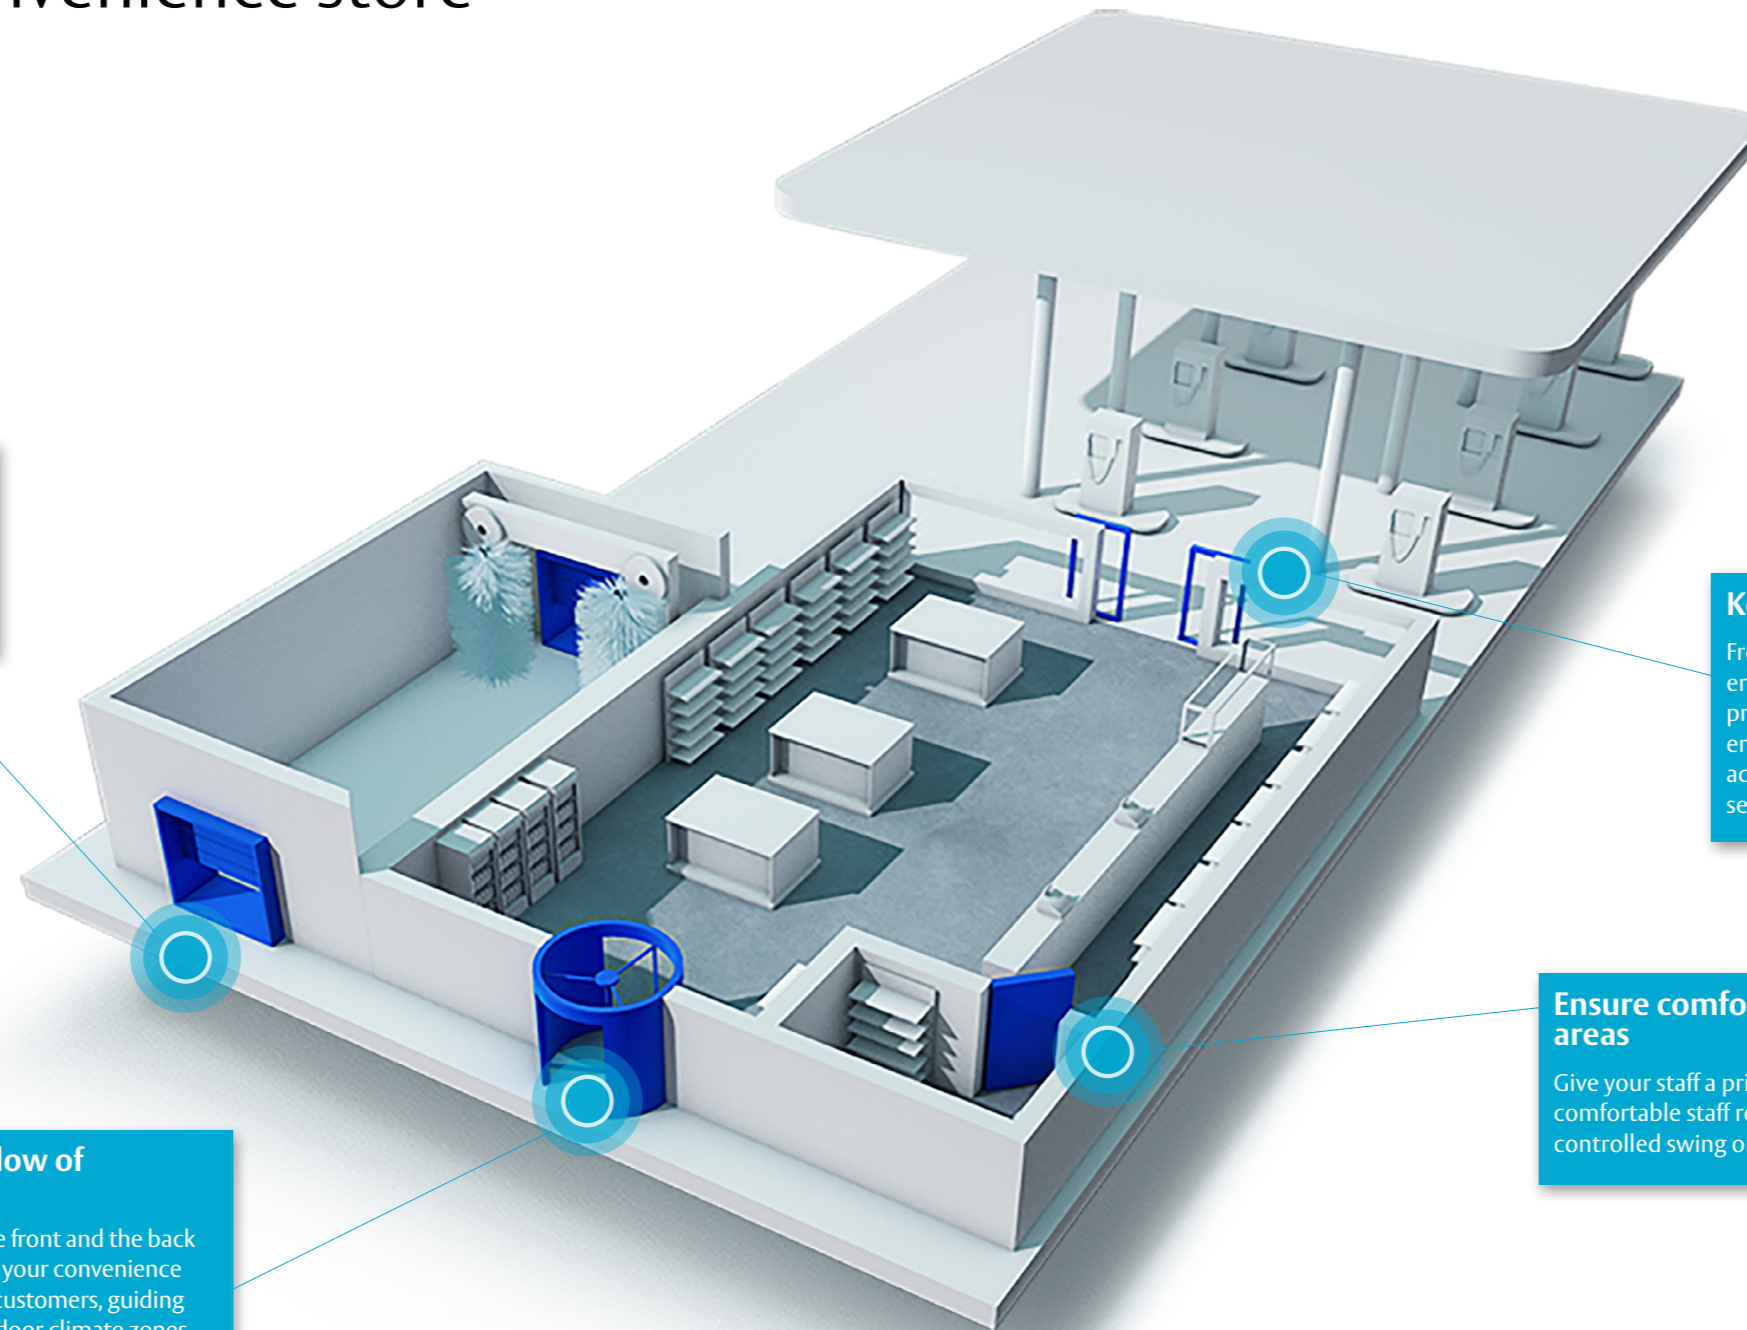

Front entrances with remote locking ensure stock and staff are safe, while preserving climate zones for indoor environment and maintaining accessibility for convenience with sensor activated opening

Ensure comfortable staff areas

Give your staff a private, secure and comfortable staff room with access controlled swing or sliding doors

Enable a steady flow of customers

Reliable entrances at the front and the back to ensure easy access to your convenience store while welcoming customers, guiding traffic and preserving indoor climate zones

The ASSA ABLOY Group is the global leader in access solutions. Every day, we help billions of people to experience a more open world.
